EXPERIENCE

Jet Store, Makhaza — *Cashier*

March 2017 - November 2017

I worked as a casual employee at Jet Makhaza for eight months before the store had to close shop and retrench workers.

Lithotech, Cape Town — *General Assistant*

September 2018 - December 2018

I worked as warehouse general assistant at Lithotech Sales Cape on a three month contract. This was a seasonal job for distributing Old Mutual's stationery to their offices nationwide.

LC Studios, Cape Town — *Intern Web Developer*

September 2020 - Present

This is a 12-month internship offered by LC Studios to Life Choices Academy students after graduating from the six months coding course. This is aimed to give the developer a bit of experience developing software and websites.

EDUCATION

Centre of Science and Technology — *High School*
